Nos. (... he estate
s been n ... *de* letter
o. 663-I. A., dated February 16th, 1905, from the Under-Secretary in the oreign Department to the Government of India, to the Hon'ble the Agent to e Governor-General in Rajputana.

The greater portion of the security for these loans having been adjudged the roperty of Patiala, the Committee has been unable to liquidate the claims for ant of funds.

6. Of the loans contracted by the Committee for the liquidation of claims, the following balances remain unpaid :—

Loans.

		Rs.	a.	p.
(i) Alliance Bank Compromise Loan	... ...	1,31,566	0	0
(ii) Seth Moolchand's Loan	... ...	67,178	0	0
Total	...	1,98,744	0	0

Messrs. Graham and Co.'s sterling loan has been paid off, but the failure of he Committee to raise an Indian Loan from the Bank of Bengal as proposed, wing to the inability of the Political Agent to sign the bond, resulted in an xtra payment of £2,500 which might have been avoided, the firm having onsented to forego "return" commission for immediate payment.

[illegible] 7. The total amount realised from the assets o[illegible] estate are as under :—

	Rs.	a.	p.
(i) Cash	1,01,511	1	9
(ii) Gold (sale of)	1,00,245	0	9
(iii) Jewellery (sale of)	27,90,712	6	0
(iv) Miscellaneous assets	98,351	4	3
Total ...	30,90,619	12	9

The original valuation of the items unsold is—

	Rs.	a.	p.
(i) Two large Diamonds (Nos. 531 and 532)	4,50,000	0	0
(ii) Jewels awarded to Patiala	5,23,500	0	0
Total ...	9,73,500	0	0

Jewels as detailed below were handed over to H. H. the Maharaj Ra[illegible] as they obviously belonged to the Dholpur Darbar :—

	Rs.	a.	p.
No. 37, 1 Miniature C. S. I	40	0	0
" 179, 2 Gold medals and a V. R. I.	1,100	0	0
" 181, 1 Gem set State seal	200	0	0
" 315, Silver Christening set	60	0	0
" 368, 1 Engraved seal ...	80	0	0
Total ...	1,480	0	0

The main items of jewellery which were valued by Messrs. Hamilton and Co and Messrs. Cooke and Kelvey at Simla on May 10th, 1902, at Rs. 40,39,21[illegible] have been disposed of as under :—

	Rs.	a.	p.
Sold	32,71,235	0	0
Returned to the Dholpur Darbar	1,480	0	0
Awarded to Patiala	3,16,500	0	0
Balance unsold	4,50,000	0	0
Total ...	40,39,215	0	0

The amount sold realised Rs. 21,~~X5,[illegible]~~ 8,704 showing a loss of 21·~~85~~ 02 per cent under the valuation. This loss was probably due to the fact that the valuation was made when the jewel market was exceedingly high, and that, owing to delays over which the Committee had no control, the sales could not take place until prices had materially fallen throughout the world. If the jewels had been sold promptly, there is no reason to doubt that they would have realised much higher prices.

The other assets sold well; much above the very rough valuation which [illegible] of them.

[illegible] Another case in which the delays alluded to above materially added to,

[illegible] and are still adding to, the burdens of the estate, is the interest which accrues on the original Bank claims and

...n accounts. Notwithstanding payments made, the following interest has ...rued :—

	Rs.	a.	p.
(i) Compromise Loan	1,06,584	0	0
(ii) Joint Dholpur-Patiala Loans—			
(a) Alliance Bank	1,49,945	0	0
(b) Bank of Upper India	1,45,578	0	0
Total .	4,02,107	0	0

Regarding the Bank of Upper India Claim it may be noted that the inter...t is at 10 per cent per annum and now *greatly* exceeds the capital amount.

This interest therefore largely accounts for the deficit shown below.

Expenses.

9. Expenses in connection with the sale of assets inclusive of all commissions, insurance, &c., amount to Rs. 1,71,145, or 5½ per cent on gross realisations. All other charges including establishment, contingencies, transport of jewels, Accountant's charges, &c., amount to Rs. 14,843 or one-half per cent.

The total expenses in connection with the work done to date is therefore only 6 per cent of the gross value of the estate.

Results attained.

10. Appendix A gives the results of the investigation into each claim and shows the amounts paid.

Appendix B is an abstract of Appendix A.

Appendices C-I, C-II, C-III, C-IV, D and E give the details of each sale, and show the price realised for each article.

Appendix F is an abstract of the Committee's Cash Account showing that out of a total of Rs. 47,67,691, Rs. 30,90,619 have been realised from assets and Rs. 16,56,080 by loans. Rs 20,990 are refunds or cross entries.

Of the above total, Rs 26,64,242 has been paid in satisfaction of claims, Rs. 1,85,989 in expenses and Rs. 18,98,954 in liquidation of loan accounts and interest thereon. The balance in the hands of the Committee amounts to Rs. 18,504.

Liabilities

11. Appendix G gives the remaining liabilities of the estate. They are—

	Rs.	a.	p.
(i) Claims due to the Dholpur State	2,10,512	6	9
(ii) Balance of loans with interest	1,98,743	10	9
(iii) Subscription to Victoria Memorial	50,000	0	0
(iv) The Joint Dholpur-Patiala Loans with interest ...	8,69,129	0	0
Total ...	13,28,385	1	6

Assets.

12. The remaining assets are shown in Appendix H. These may be now valued at Rs. 1,54,792 only.

Present financial condition.

13. The combined result of the low prices realised and the decision of the Government of India in the matter of the Patiala claims is to make the estate insolvent. The estate is now liable for the whole of the Joint Loans together with the whole of the interest

which has been accruing during the three years in which the enquiry has been proceeding, while at the same time the possible assets have been largely reduced; and unless this decision be reconsidered a deficit of Rs. 13,28,385—Rs. 1,54,792=Rs. 11,73,593 is certain, plus such interest as may hereafter accrue. Repudiation of (*i*) the Dholpur State Claims Rs. 2,10,512, (*ii*) the Victoria Memorial subscription Rs. 50,000, and (*iii*) the Bank of Upper India Claim Rs. 4,18,738 would appear to be the only course to pursue. A similar course cannot be taken in regard to the Alliance Bank balances which have been conditionally guaranteed.

The Committee can only add its regret that the result of three years' extraordinarily difficult and responsible work should end so unhappily.

The Committee have paid off the claim for Rs 52,604 and taken over the box of jewellery deposited as security, the contents of this box having been valued at Rs 13,000 This jewellery realised only Rs 9,122 at auction The Committee do not propose to take any action against Mr Jacob for the recovery of this sum, as he is believed to have no assets
